(D) In Toulon, France, on March 23, 2004, a Jewish synagogue and community center were set on fire.

(3) Anti-Semitism in old and new forms is also increasingly emanating from the Arab and Muslim world on a sustained basis, including through books published by government-owned publishing houses in Egypt and other Arab countries.

(4) In November 2002, state-run television in Egypt broadcast the anti-Semitic series entitled "Horseman Without a Horse," which is based upon the fictitious "Protocols of the Learned Elders of Zion". The Protocols have been used throughout the last century by despots such as Adolf Hitler to justify violence against Jews.

(5) In November 2003, Arab television featured an anti-Semitic series, entitled "Ash-Shatat" (or "The Diaspora"), which depicts Jewish people hatching a plot for Jewish control of the world.

(6) The sharp rise in anti-Semitic violence has caused international organizations such as the Organization for Security and Cooperation in Europe (OSCE) to elevate, and bring renewed focus to, the issue, including the convening by the OSCE in June 2003 of a conference in Vienna dedicated solely to the issue of anti-Semitism.

(7) The OSCE will again convene a conference dedicated to addressing the problem of anti-Semitism on April 28-29, 2004, in Berlin, with the United States delegation to be led by former Mayor of New York City Ed Koch.

(8) The United States Government has strongly supported efforts to address anti-Semitism through bilateral relationships and interaction with international organizations such as the OSCE, the European Union, and the United Nations.

(9) Congress has consistently supported efforts to address the rise in anti-Semitic violence. During the 107th Congress, both the Senate and the House of Representatives passed resolutions expressing strong concern with the sharp escalation of anti-Semitic violence in Europe and calling on the Department of State to thoroughly document the phenomenon.

### SEC. 3. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) the United States Government should continue to strongly support efforts to combat anti-Semitism worldwide through bilateral relationships and interaction with international organizations such as the OSCE; and

the proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, the Senate then begin a period of morning business, with Senators to speak therein for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

### PROGRAM

Mr. FRIST. Mr. President, on Monday, the Senate will be in morning business. It is possible that the Senate will resume consideration of the FSC/ETI JOBS bill Monday afternoon to consider amendments relevant to the bill. Moments ago, I filed a cloture motion to the bill which provided for a vote on Tuesday. I believe the managers will be prepared to dispose of the relevant amendments prior to that cloture vote, and we will continue to discuss that option on Monday.

Also, on Monday, we expect that the Senate will vote or will act on the Iraqi prisoner resolution. It is important for the Senate to speak out in a formal way. Most colleagues have spoken out individually on this issue in a bipartisan, single voice. Therefore, I would like to put Senators on notice that we can expect a rollcall vote at approximately 5:30 p.m. on Monday.

### ADJOURNMENT UNTIL MONDAY, MAY 10, 2004, AT 2 P.M.

Mr. FRIST. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 12:16 p.m., adjourned until Monday, May 10, 2004, at 2 p.m.

### ORDERS FOR MONDAY, MAY 10, 2004

Mr. FRIST. Mr. President, I ask unanimous consent that when the Senate completes its business today, it adjourn until 2 p.m. on Monday, May 10. I further ask that following the prayer and the pledge, the morning hour be deemed to have expired, the Journal of
